## Support a national treasure!

With over 30,000 objects and an Open Air Division of 12 historic buildings, Vesterheim, the national Norwegian-American museum and heritage center, showcases the most comprehensive collection of Norwegian-American artifacts in the world.

Vesterheim was named one of  
“15 Best Small-Town Museums in the U.S.”  
by the world-respected travel guide, Fodor's!

Vesterheim has hosted Norwegian Royalty eight times, including their Majesties King Harald V and Queen Sonja in October 2011.

*Vesterheim is more than a world class museum—we are a heritage center nestled in beautiful Northeast Iowa. Our economic impact is over \$5 million.*

Each year, the museum brings a national and international audience to the Decorah area. We offer classes in Norwegian folk art and culture, special exhibitions, international lecturers, Nordic Fest events, and celebrations for *Syttende Mai* and Norwegian Christmas.

The museum offers programs for children:

- *Barnetimen*, a children's hour for pre-schoolers.
- Window on the World (WOW) farm program for third graders.
- The Pioneer Immersion Program for fourth graders.
- Tours and presentations for middle school and high school students.
- Internships for college students from around the country.

These events and classes all impact the quality of life for the residents of our region. We are a vital partner in making the Decorah area an exciting place to live and shop, as well as a destination for thousands of visitors every year.
